

**Report on**

**Urban Technologies**

**in the Netherlands**

December 2012

# Table of contents

1. Introduction .....	15
UN expectation .....	15
Defining Urban Technologies .....	15
More, less, better & cross-border .....	16
A short history of the topic and relevant developments .....	18
1960 - City and Technology - Wired City Concept.....	18
1972 - Urban Technology .....	18
1976 - Urban Technology .....	18
1985 - High Technology, Space and Society .....	18
2002 - Intelligent cities.....	18
2003 - Urban Technology .....	19
2009 - Smart Cities .....	19
2010 - Amsterdam Smart City .....	19
2011 - European Smart Cities .....	19
2011 - Senseable City .....	20
Roadmap Urban Technologies 2030 .....	20
2. The market.....	23
The Netherlands.....	23
Randstad & Amsterdam Metropolitan Area .....	24
7 strong sectors of industry in the Amsterdam Metropolitan Area .....	24
Market Size.....	26
MIRT - Program for Infrastructure, Space and Transport .....	26
Trade figures .....	28
Figures by CBS Monitor architects and engineers.....	28
Kamer van Koophandel, KvK (Chamber of Commerce).....	29
Figures by Rabobank (Raiffeisen Bank) .....	29
ACE report Architectural profession in Europe, 2010 .....	30
Tenders en competitions .....	32
National tenders .....	32
National competitions .....	32
Meeting the market parties .....	33
Fair finders .....	33
Congreskalender.....	33
Respons Fair calender .....	33
Beursagenda .....	33
Fair calender 2012/2013 .....	34
Information on selected fairs.....	37
Largest Dutch Fair: BouwRai – Building Holland.....	37

International Building Fair (Bouwbeurs) .....	37
Woonbeurs .....	38
Nationale Dubo Dag .....	38
Nationaal Wegen Congres .....	38
Innovation Relay .....	38
Smart City 2012 – GDS international .....	39
InfraTech 2013 .....	39
RAI .....	39
Informa Exhibitions .....	40
Media .....	40
Journals .....	40
Cobouw .....	40
Verkeer in Beeld .....	40
Verkeerskunde .....	41
Vitale Stad .....	41
Architecture Journals .....	42
Websites, weblogs and newsletters .....	42
Infrasite .....	42
Duurzame gemeente .....	42
De duurzame stad .....	42
Spacemakers .....	42
Club van Maarssen .....	43
Club van 30 BV .....	43
Metropoolregio Amsterdam .....	43
LinkedIn in the Netherlands .....	43
Film .....	43
AFFR - Architecture Film Festival Rotterdam .....	43
Market developments .....	43
Strong population growth in the Randstad in 2025 .....	43
Randstad growth in international perspective .....	44
Spatial plan Amsterdam (Structuurvisie 2040) wins ISOCARP Award 2011 .....	45
Deloitte report shows 35 municipalities threatened by construction crisis .....	45
New underground 380 kV line .....	46
Longest viaduct in the Netherlands opens in 2012 .....	46
Green Deals .....	46

### 3. Multi Sectoral Clients, Partners & Best Practices ..... 47

3.1. Governments .....	48
State Government .....	49
Ministry of Infrastructure and the Environment .....	49
Ministry of Economic Affairs, Agriculture and Innovation .....	49
Agentschap NL .....	49
Provincial Government .....	51
Responsibilities of the Provinces .....	51
Provincie Noord-Holland .....	51
Provincie Zuid-Holland .....	52
Province of Utrecht .....	52

Province of Flevoland .....	53
Municipal Government .....	53
VNG .....	53
Amsterdam Physical Planning Department.....	54
Gemeente Rotterdam - City development .....	54
The Hague - Municipal Urban Development Office.....	55
Utrecht Urban Development Department .....	55
3.2. Nationwide institutions .....	57
Branche and sector organisations .....	58
Bouwend Nederland.....	58
BNA, Royal Institute of Dutch Architects .....	58
NL engineers .....	59
KIVI NIRIA .....	59
Advisory boards.....	60
Platform 31 .....	60
NIROV .....	60
NICIS .....	60
KEI .....	61
SEV .....	61
CROW.....	62
NIB - Nederlands Instituut voor de Bouw .....	62
NEPROM - VEreniging van NEDerlandse Projectontwikkeling Maatschappijen .....	63
Architectuur Lokaal.....	63
National Research Institutes.....	64
TU Delft .....	64
SBR (formerly Stichting Bouwresearch.....	64
Innovatie Centrum Duurzaam Bouwen.....	65
TNO.....	65
TNO Transport and Mobility .....	66
SBO - Studiecentrum Bedrijf en Overheid .....	66
Next Generation Infrastructures .....	66
KOMO.....	67
EIB .....	67
KEMA.....	68
KIWA.....	68
National funding agencies.....	69
The Netherlands Fund for the Creative Industry .....	69
Cultural institutions.....	69
IABR - International Architecture Biennale Rotterdam .....	69
Het Nieuwe Instituut .....	70
NAI.....	70
Associations .....	71
Vereniging Deltametropool.....	71
Stipo .....	72
Club van Maarssen.....	72
Registers and regulators.....	72
Ruimtelijke Plannen (Spatial Plans Online).....	72
Bouwbesluit.....	73
NEN – Dutch Standardization Institute.....	73

## 4. Sector ICT - Clients, Partners & Best Practices ..... 74

4.1. Sector Institutions .....	75
Institutions and Knowledge Networks .....	76
BuildingSMART BeNeLux.....	76
Waag Society .....	76
Mediamatic.....	76
The Mobile City .....	77
OPTA .....	77
4.2. ICT Networks .....	78
Internet and internet providers .....	79
Introduction .....	79
SIDN.....	79
XS4ALL .....	80
NLnet.....	81
De Digitale Stad .....	81
Other large internet providers .....	82
Locally and regionally active internet providers:.....	84
Cable providers.....	85
Ziggo .....	85
UPC .....	85
CAIW .....	86
Larger regional companies outside the Randstad.....	86
Local cable companies .....	86
Telephone cable network.....	87
KPN.....	87
ISRA.....	87
ADSL .....	88
ADSL providers .....	88
VDSL .....	88
Wireless.....	89
Third Places.....	89
Mobile Internet in Netherlands .....	89
Smartphones .....	89
(Finding) Hotspots.....	90
Free Urban Hotspots.....	90
Rotterdam Wireless.....	91
Other Wireless City Projects .....	91
Wireless Third Spaces.....	91
FON Nederland .....	92
HSDPA.....	92
Glass fibre .....	93
Glashart .....	93
Jelcer.....	93
Servers and Storage and Internet Exchanges.....	95
The Green Fan.....	96
Pipe Producers.....	96
DYKA .....	96
4.3. ICT Network Users.....	98
Applications& Serious Gaming Technology.....	99

Applications& Serious Gaming Technology.....	99
Sprintstad – a serious game .....	99
Understanding railway complexity .....	99
OV Chipkaart .....	99
Variomatic NL.....	100
Building Information Model (BIM) .....	100
QuantumBIM .....	101
Sattelite based - GPS.....	101
TomTom.....	101
GIS .....	102
GIN.....	102
ARIS.....	102
Web based initiatives .....	103
Funda.....	103
Marktplaats.....	103
Exchange Sites .....	103
Ruilen .....	103
Verbeterdebuurt.nl.....	104
Entertainment.....	104
NOS.....	104
(Digital) television and radio.....	104
Digitenne .....	105
CanalDigitaal.....	105
Internet radio .....	106
Telephony.....	106
Landlines (PSTN).....	106
KPN.....	106
Other landline telephony providers .....	107
Internet telephon providers (VOIP).....	108
KPN.....	108
Ziggo .....	108
UPC .....	108
Other VOIP providers .....	108
Mobile telephony.....	109
KPN.....	109
Vodafone .....	109
T-Mobile.....	109
Other mobile telephony providers.....	109
Emergency Communication.....	110
Flister.....	110
Blauwblauw.....	110

## 5. Sector Mobility - Clients, Partners & Best Practices ..111

5.1. Sector Institutions .....	112
Institutions and knowledge networks .....	113
ANWB.....	113
Veilig Verkeer Nederland (Safe Transport Netherlands).....	113

BOVAG.....	113
Fietsersbond (Bikers' Association) .....	113
RAI.....	113
ROVER .....	114
EVO.....	114
FENEX.....	114
Royal Dutch Transport (KNV).....	114
Netherlands Distribution Council (NDL / HIDC).....	114
Transport and Logistics Netherlands (TLN) .....	114
Movinnio .....	115
NDW .....	115
Eltis.....	115
5.2. Mobility networks.....	116
Introduction .....	117
The networks .....	117
Rijkswaterstaat .....	117
Waterschappen .....	118
Watercanon.....	119
KNV .....	119
ANWB.....	120
Roads.....	120
Introduction .....	120
Road-user pricing .....	121
A5 Westrandweg Amsterdam .....	121
Re-Routing A9 Badhoevedorp .....	122
Bike Highways .....	122
Solar Road.....	123
Smart Highway (Slimme Snelweg).....	123
Traffic software tools RAMON and ATOL.....	124
Designing Robust Road Networks .....	126
Train tracks.....	126
Introduction .....	126
Prorail.....	127
Operationeel Controle Centrum Rail Utrecht.....	127
Randstadrail.....	128
HSL Zuid.....	128
Hanzelijn .....	129
Betuwelijn .....	129
Waterways.....	130
Introduction .....	130
Noordzeekanaal.....	130
De Nieuwe Waterweg .....	130
Tunnels and Bridges .....	131
Noord Zuid Lijn .....	131
High Quality Public Transport Corridor to Zaandam .....	131
Spoorzone Delft.....	131
Tramtunnel The Hague.....	132
Piet Heijn Tunnel .....	133
Tweede Coentunnel.....	133
Second Ring Canal Aqueduct .....	133

Erasmus Bridge .....	134
Borneo / Sporenburg Bridges .....	134
Hollandsch Diep Bridge .....	135
Amterdam-Rhine Canal Bridge.....	135
Calatrava Bridges Haarlemmermeer .....	135
Bridgealarm App .....	136
Air Traffic.....	137
FIR – Amsterdam Flight Information Region.....	137
Air Traffic Control Schiphol.....	137
5.3. Mobility nodes .....	138
Parking.....	139
Municipal Bike Parking .....	139
Velominck .....	139
Fietsflat Amsterdam CS .....	140
Bike Apple (Fietsappel) .....	140
Brick Parking BV .....	141
Interparking .....	141
P1.....	142
Q-Park .....	142
Cition.....	143
Yellowbrick B.V. ....	143
Train stations .....	144
Introduction .....	144
NS Stations.....	144
Worldy Stations and New Key Projects.....	145
8 New Train Stations.....	145
DHNC - Den Haag New Central Station .....	146
Utrecht CS.....	146
Amsterdam CS .....	147
Rotterdam CS .....	147
Amsterdam Zuid.....	147
Delft.....	148
Breda .....	148
Arnhem Centraal .....	148
ACT - Multimodal freight exchange Schiphol.....	148
Harbours, ports and terminals.....	149
Introducion .....	149
Port of Rotterdam .....	149
Second Maasvlakte.....	150
Port of Amsterdam .....	150
Passenger Terminal Amsterdam.....	151
Airports.....	152
Introduction .....	152
Amsterdam Airport Schiphol .....	152
SADC .....	153
Amsterdam Heliport.....	154
Architects with focus on mobility.....	154
Artgineering .....	154
Bentham Crouwel Architecten BV bna .....	154
Mecanoo .....	155

Mopet .....	155
Nio architecten .....	155
OMA.....	156
Oosterhuis NL .....	156
Quist Wintermans Architecten .....	156
UNStudio.....	157
Venhoeven CS.....	157
VVKA .....	157
VMX.....	158
West 8.....	158
Consultants and engineers .....	159
Grontmij .....	159
Royal HaskoningDHV .....	159
DHV .....	160
Goudappel Coffeng .....	160
Movares .....	160
Oranjewoud .....	161
Tebodin Consultants & Engineers.....	161
Deltares.....	162
Verebus.....	162
Wagemaker.....	162
Contractors.....	163
Van Oord.....	163
Strukton .....	163
Royal BAM Group .....	164
Heijmans.....	164
5.4. Mobility networks users – people .....	166
Introduction .....	167
TNO Intelligent Traffic Systems.....	167
From 5 to 4 anti congestion game .....	167
Het nieuwe Werken (New Way of Working).....	168
Het Nieuwe Werken Doe Je Zelf .....	168
Microsoft .....	168
Desenco Groep .....	169
Bicycle .....	169
Why do the Dutch cycle to work in the Netherlands?.....	169
OV fiets (Public Transport Bicycles) .....	170
FietsNed .....	171
MacBike Amsterdam.....	171
Motorcycle and Scooter.....	171
Electric Rental Scooters .....	172
Ebretti scooters .....	172
Automobile.....	173
Green Deal Elektrisch Rijden.....	173
Samen Elektrisch.....	173
Amsterdam Elektrisch .....	173
Loloo's (Load locations for electric transport) .....	174
Introduction Car Sharing.....	174
Greenwheels .....	174
Car2Go .....	175

WeGo .....	175
Wheels4all.....	175
The New Motion (Corporate Car Sharing) .....	176
Ohter car sharing companies .....	176
Public Transport.....	177
9292ov (Travel Information).....	177
OV Chip Kaart .....	177
Connexxion .....	178
GVB (Public Transport Amsterdam) .....	178
HTM Personenvervoer NV .....	179
Bus.....	179
Zuidtangent.....	179
Floating Dutchman.....	180
HyMove Hydrogen Bus Service .....	180
Phileas Bus .....	181
VDL Group .....	181
Railway, Tram and Subway.....	182
NS - Nederlandse Spoorwegen (Dutch Railways) .....	182
Fyra.....	182
Thalys.....	183
Noord-Zuid Lijn Amsterdam .....	183
HTM 80 metre long tram .....	183
Ferry, Boat and Water Taxi.....	184
GVB Ferries Amsterdam.....	184
Water Taxi Amsterdam .....	185
Fast Flying Ferry .....	185
Lovers Hydrogen Canal Boat.....	186
Fuel Cell Boat B.V. ....	186
Human Environment and Transport Inspectorate (Inspectie Leefomgeving en Transport, ILT).....	187
Platform for Sustainable Air Transport (Platform Duurzame Luchtvaart, PDL).....	188
KLM.....	188
C02 Compensation .....	189
City Jet.....	189
5.5. Mobility network users - goods.....	191
Mail.....	192
PostNL NV.....	192
Bike, Motorbike and Scooter.....	192
De Versnelling Fietskoerier (Bike courier).....	192
More bike couriers in the Randstad. ....	193
Den Haag.....	193
Rotterdam.....	194
Motorkoerier em - taxi (Motorbike Courier and Taxi) .....	194
Lorry and Car.....	194
Scale of Freight Transport by Road .....	194
Introduciton Freight Transport by Road.....	195
Longer and Heavier Vehicles in the Netherlands.....	197
Cargohopper traffic management.....	197
GreenCityDistribution.....	197
De Versbezorger.....	198

Rail freight .....	198
Stichting Rail Cargo information Netherlands .....	198
Euro Carex High Speed Freight Train.....	198
Amsterdam Carex.....	199
Overview of freight train operators .....	200
CityCargo .....	202
Maritime Freight and Inland Navigation .....	202
Introduction .....	202
Port Base .....	203
Inland navigation.....	203
DHL Parcel Canal Boat.....	204
Mokum Mariteam.....	204
Air Cargo .....	205
Introduction .....	205
Online Aircargo Shop.....	206
Martinair.....	206
KLM Cargo .....	206

## 6. Sector Energy - Clients, Partners & Best Practices ...208

6.1. Summary and Sector Institutions.....	209
Summary.....	210
Scale of the Dutch Energy Market .....	210
Energy Consumption Split .....	210
Report on Energy in the Netherlands 2011 .....	211
Low Share in Renewable Energy .....	212
Meer met minder – National Energy Savings Program .....	212
European Scale - Roadmap2050 .....	212
Graphic Narrative Roadmap 2050.....	213
Institutions and Knowledge Networks .....	213
ECN.....	214
Energy Valley.....	214
National Expertise Centre Heat.....	215
Duurzame Buren .....	216
ESNA - Energy Services Network Association .....	217
6.2. Energy networks.....	218
Introduction .....	219
Co-decision with Citizens .....	219
Cable and Grid.....	219
Alliander.....	219
Liander NV.....	220
Tennet.....	220
BritNed .....	221
Randstad 380 kV .....	221
Wintrack .....	222
Pipeline .....	223
Underground lines .....	223
Heat networks (Warmtenetwerken) .....	223

Warmtenetwerk Holland .....	223
Heating network Rotterdam .....	224
Warmtebedrijf Rotterdam .....	224
Nuon .....	225
Lake Source Cooling (first Dutch Cold Network) .....	225
Cold Extraction .....	225
Milk .....	226
Petrol and Gasoline (RRP Pipelines) .....	226
ROAD CO2 Storage .....	227
Contractors .....	227
Mourik .....	228
Consultants and Engineers .....	228
Studio SK Tennet Pylons .....	228
Unica .....	228
6.3. Energy Nodes, Users and Producers .....	230
Electricity .....	231
Green Choice .....	231
Essent .....	231
Amsterdam City Lighting .....	231
EUREL Elspec .....	232
Wattcher .....	232
Smart Grid .....	233
Smart Grid Companies .....	233
Solar Energy & Photovoltaics .....	234
Holland Solar .....	235
Regeneratiedak .....	236
Wind Turbine .....	236
Introduction .....	236
Windturbines on land .....	237
Windpark Noordoostpolder .....	237
Offshore wind energy .....	237
NoordzeeWind .....	238
Prinses Amaliawindpark .....	238
NWEA .....	239
Onze Energie .....	239
Water Turbine .....	239
Reaction turbines .....	239
Bioenergy .....	240
Introduction .....	240
MILENA Gasification and OLGA gas purification .....	241
Geothermal Energy .....	241
Introduction .....	241
Fossile Resources .....	241
Natural Gas .....	241
NAM .....	242
LPG .....	242
CNG .....	243
Sustainable Building .....	243
Introduction .....	243
DGBC Dutch Green Building Council .....	243

XL - Stad van de Zon .....	244
L - TNT Office Hoofddorp.....	245
M - Steigereiland 209 .....	245
S - WAIFER .....	245
Contractors.....	246
Smulders.....	246
Ballast Nedam .....	247
Volker Wessels.....	247
TBI .....	248
Architects with focus on energy and sustainability .....	249
Upfrrt .....	249
Rau .....	249
Architectenbureau Paul de Ruiter .....	249
Consultants and Engineers .....	250
CE Delft.....	250
Ecofys.....	250
Search BV Engineers .....	251
Deerns Nederland .....	251
GeoStruct InfraEngineer .....	252
Amsterdam Smart City .....	253
Amsterdam Innovatie Motor (AIM).....	253
Hier.....	253
Stichtng Mijn CO2 Spoor.....	254
Aim to Sustain .....	254

## 7. Sector Cleantech - Clients, Partners & Best Practices 255

7.1. Sector Institutions .....	256
Institutions and Knowledge Networks.....	257
KWR Water Cycle Research Institute.....	257
Water Research Centre Delft (WRCD).....	257
RIONED.....	258
Sewage Network Netherlands .....	258
7.2. Cleantech Networks.....	259
Water Supply and Distribution.....	260
Hoogheemraadschap .....	260
Waterschappen .....	260
Vewin .....	260
RIWA Rhine.....	260
RIWA Meuse.....	261
Waternet .....	261
Oasen.....	262
Other water companies.....	262
Amsterdamse Waterleidingduinen .....	262
Sewage.....	263
Dienst Stadsbeheer The Hague (City Service Maintenance ) .....	263
Department of Environment and Licenses (Afdeling Milieu en Vergunningen).....	263
The Cleaning Company (Het Veeg- en Straatbedrijf).....	263

The Hague Environment Services (Haagse Milieu Service (HMS)).....	264
Garbage.....	264
Introduction .....	264
Landelijk Afvalplan (LAP2) .....	265
Centralned .....	266
7.3. Cleantech Services and Users .....	267
Water .....	268
Rigofill Infiltration .....	268
Ecodak Surplus Roofing.....	268
Join the pipe .....	268
Sewage.....	269
Rioolwaterzuiveringsinstallatie Amsterdam West .....	269
Booster Pumps Amsterdam.....	269
Department of Sewers and Watermanagment The Hague .....	270
Garbage.....	270
HVC .....	270
Van Gansewinkel .....	271
ICOVA .....	271
AEB – Afval en Energiebedrijf Amsterdam .....	272
Simadan – Greenmills .....	272
Shanks Group .....	273
Cleaning Air and (Micro) Climate.....	273
Gardening Company The Hague (Groenbedrijf Den Haag) .....	273
Groene Stad.....	274
Sempergreen.....	274
Heijmans Sport en Groen B.V.....	275
Sportplaza Mercator .....	275
Noxite NOx Reduction.....	276
Noise .....	276
NSG - Dutch Foundation for Noise.....	276
Geluidsnet.....	277
Bamboo Noise Barriers Amsterdam .....	277
Consultants and Engineers .....	278
HVL.....	278
